Which injuries have you had?

What do the people in the pictures suffer from?

(click on the picture) **Describe the symptoms.**

Name the specialists in the pictures. (click on the picture) **What do they treat?**

Name the medicines and treatments in the pictures. (click on the picture)

Look at the pictures. What does a healthy lifestyle involve? Describe your lifestyle.

Work in pairs and make a dialogue between a general practitioner (GP) and her patient who suffers from flu. The expressions below can help you.

1. What's the matter with you?
2. I'll prescribe you some medicine.
3. I took some aspirin last night.
4. You should stay in bed for few days.
5. Do I need to see a specialist?
6. I've got a terrible cough.
7. I don't feel very well.
8. Let me examine you.
9. I took the temperature and it was high.
